Contracts with West German Industry by Red China for railway track did not  
lead to a satisfactory conclusion during 1950. A Red China delegation is there-  
fore now active in Western Germany with compensatory offers to the affected  
industrial outlets. The official adviser of this delegation is a lawyer from  
Düsseldorf, Jure Alfred Kretsch, also prominent for his affiliations with the  
KPD. Kretsch does not maintain a law practice in Düsseldorf, but merely serves as  
his talents to the position as business manager of the " Ost-West Handels-Gesellschaft  
Deutsch-Englisch (Association), Düsseldorf, Graf Adolphstrasse, corner Weststr.  
Kretsch maintains close contact with a Dr. Emil Hoffmann in Berlin.

Reportedly a more substantial adviser of the Red China Trade Delegation is a Chinese Communist and long-time resident of Frankfurt. The latter has for quite some time maintained close contacts with steel and iron mills of Western Germany. One of the latter's intimate associates is another "star pupil" of the Bureau of Chinese Affairs, Dr. E. Karsus. According to the latest information, Karsus and his Chinese friends are presently engaged in canvassing towns of Belgium and Holland, since these countries, especially Belgium, are used by the Red Chinese as intermediaries and centers for their business transactions with the German Republics of the Rhine. These transactions are allegedly the first of the German Republics, preparator Schiller, Düsseldorf.

A review of the Frankfurt registration records disclosed the following:  
 1. Dr. Jue-Red Lang, born June 26, 1907 in Chafoo, China, the only person fitting the above description listed as a dentist. All other Chinese nationals residing in this area (amounting to approximately eight (8)) are either merchants or domestic servants. Dr. Lang is married to a German national, Loris-Sophie, nee Klein, born April 7, 1910 in Leber. They were married on May 20, 1937 in Frankfurt, and are presently residing at Dr. Emburgerstrasse 28 II. Dr. Lang had the previous address in Frankfurt, effective September 1, 1939 until July 1, 1943, at Jungfernstieg 32.

**A check on National Registry has been negative.**

Tobolski is presently working as an informant-agent of the FBI under the direct control of Mr. Earl S. and Howard G. Allen.

The Dr. Hoffmann and the firm of Otto E. Krause referred to above are identical with the pseudonyms listed in R.H. #3, dated September 6, 1960. Subj: East-West German Trade. This report identified Dr. Emil Hoffmann as a friend or associate of Irvin Lirish Scott and the contact to Five (5) steel firms.
